MOZURU
SPORTS INFINITY

MOZURU
SPORTS INFINITY

About Us

MOZURU was established in 2008, which is specializing in manufacturing all kinds of sports & toy balls, including rubber ball series, machine-sewn ball series, laminated ball series with 280 employees, we can turn out up to 450,000 balls everymonth, the regular order can be ready for shipment in 30 days. We have our own individual QC department, can offer our clients the official inspection with AQL standard. Our factories pass the audit of TARGET, WAL-Mart, BSCI, SQP etc., also all our products are free of phthalates and heavy metals in accordance with EU/US standards with strong capacity, we can meet the volume orders with a short time delivery, at same time, we also accept small quantity orders. We warmly welcome all clients to visit our office and factories in WUXI!

Nylon Reinforcing Layer

Rationally wound with 2500 meters of high performance nylon thread by delicate machine, provide best compression resistance, stability and rebound.

Air Ven

Unique structure and assembling method, superior air retention, waterproof easily replaced.

Bladder with Good Air Tightness

Use natural rubber and butyl, be strictly processed, has superior rebound and air retention.

Composite Lay-in Channel

Deep channel enhance hand alignment and ball control.

Cushion Core Support

High level of rubber, revulcanize with nylon and bladder, ensure more stable and reliable performance.

Leather

Provide better ability of rebound, water-proof, wear-resistance and hand feeling. Use special leather to satisfy different fields.
